SMART LESSON PLANNER

Lesson overview

Plan the learning target, lesson content, and required resources.

01 CLASS & LESSON DETAILS

Teacher's name

Section / class

Subject

Grade level

Term / quarter

Week

Plan type

Lesson title

02 LEARNING TARGETS & CONTENT

Learning competencies

Use the exact curriculum wording and code, when available.

Learning objectives

State observable outcomes and how learners will demonstrate them.

Subject matter

Learning experience

Use this page for Detailed or Semi-Detailed plans; use page 4 for ILAW delivery.

03 RESOURCES & ACTIVITIES

Learning resources

List books, page numbers, links, equipment, and other materials.

Learning activities

For each activity: title, learner task, grouping, materials, and time.

04 TEACHING & LEARNING PROCEDURE

Procedure

Sequence: review, motivation, instruction, practice, application, and closure.

Detailed: include teacher prompts and expected responses. Semi-Detailed: use key steps.

SMART LESSON PLANNER

Evidence & reflection

Connect assessment to objectives, then record follow-up and teaching insights.

05 ASSESSMENT & FOLLOW-UP

Assessment

Specify the task, evidence of learning, criteria, and feedback approach.

Assignment

Give clear instructions, expected output, and completion requirements.

06 REFLECTION & NOTES

Reflection

After teaching: what worked, who needs support, and what should change?

Additional notes

Record accommodations, remediation, enrichment, or other reminders.

ILAW planning extension

Optional page: complete for an ILAW plan alongside the shared planning sections.

07 STANDARDS

Content standard

Performance standard
